Your uni-assist application number is 2765405

Dear Anna Khadisova,

We are delighted that you have decided to study in Germany!

Your application for a **preliminary check documentation (VPD)** has been reviewed and the result has been documented. The VPD shows your higher education entrance qualification in Germany (HZB) and the converted grade, which could be important for your ranking.

This letter is no admission, but confirms that you applied to study at a recognized university in Germany. With this letter you can apply for a visa at the German embassy/ German consulate in your home country. However, there is no legal right to obtain a visa on the basis of this letter.

Please note that reviewing your documents by uni-assist e.V. doesn't replace a direct application at University of Applied Sciences Würzburg-Schweinfurt (FHWS), which you are supposed to have already done. If you have not applied at FHWS by uploading your documents to the FHWS application portal, please do it now! After having received your VPD you have to upload it to the **FHWS application portal** as well. <https://go.fhws.de/apply/>

Please check the following link for information regarding the application process, the necessary documents and the application portal: <https://international.fhws.de/en/fhws-international/incoming-full-time-students/incoming-full-time-students/application/>

Deadlines for your application at FHWS are:

- **Winter Semester: 1 May until 15 July**
- **Summer semester: 1 December until 15 January**
(for some degree programmes and for Non-EU/EEA applicants for propaedeutic pre-semester)

The application deadlines of some degree programmes may differ from these application deadlines. You can find the individual application deadlines for the respective degree programmes in our online application portal and on our homepage.

Please also keep in mind that in order to get accepted at your university you have to prove your **German and/or English proficiency** on a high level. Regarding language requirements and further information about your online application, please check the following links for further information:

<https://international.fhws.de/en/fhws-international/ways-to-fhws/incoming-full-time-students/admission-requirements/>

Kind regards,
Your uni-assist-team
